# AT ROUNDWOOD WE CAN HELP YOU AND YOUR GUESTS CELEBRATE YOUR SPECIAL DAY IN STYLE AND TO SUIT YOUR BUDGET

---

## FOR YOUR EXCLUSIVE USE

---

We provide the venue, you bring the ideas! You'll be surprised at just how flexible we can be. Our experienced team can help you plan your day how you want it, traditional, formal, casual or maybe a little quirky, just let us know.

Best of all, the whole venue is for your exclusive use. Yours will be the only event here so your wedding is our priority too. The only guests in the bar will be your family and friends, the only children playing in the garden will be those you invited and there will be no other brides or grooms here. Your guests will all be in one place as your exclusive bar is in your reception room.

Roundwood has a dedicated function room with it's own bar, entrance, garden and facilities and can accommodate up to 160 people. We're surrounded by woodland with views over the Wensum Valley, so a lovely setting for your photographs.

As an approved venue Roundwood is licensed for Civil Marriages and Partnerships. So you can have the convenience, for you and your guests, of your ceremony followed seamlessly by your choice of reception, everything in one place. If you would like to hold your ceremony outside, our private garden is the ideal place for a 'Duo' Ceremony. Alternatively, if your ceremony is elsewhere, we can help you arrange your evening reception at Roundwood.

Roundwood is a family friendly venue with outside space for a bouncy castle in our enclosed garden.

Our venue is now temperature controlled for your comfort, with easy access for all and ample free parking.

TO REALLY APPRECIATE OUR VENUE COME AND VISIT US.  
WE ARE THE VENUE FOR ALL YOUR IDEAS.

# OUR PACKAGES

WE'RE FRIENDLY & FLEXIBLE

At Roundwood we offer five inclusive wedding packages that are designed to help you plan your day within your budget. Our packages are all discounted to offer you great value and we aim to be as clear as possible with our pricing, so there are no hidden costs added later.

We take a very flexible approach here and are happy to add features to your package as required, so our packages are a great starting point. However if you would prefer to self build your day to your requirements we are happy to help and can provide a no obligation quote.
